MEMORANDUM FOR: Director of Personnel

SUBJECT : Outplacement Service

1. In our survey of the Outplacement Service, the question came up of a Civil Service Commission/CIA inter-agency agreement which would entitle employees who have served with CIA to Civil Service status, like the Peace Corps has for its people who have served for 18 months.

2. We gather that this has been under consideration for some time.

3. Could you give us the Office of Personnel's position on this?
